

Assignment 2 due Wed. Nov. 10

***Engineering Speaking
by Design***

***Resonate:
Present visual stories
that transform audiences***

***Storytelling with
Data***

Your task:

- Review the 3 books above (saved in the “Assignment” folder)
- Identify specific points of interest in at least **one** book
- Discuss relevance to your presentation needs in 1200+ words.
- Relate your needs to disciplinary requirement or area specialization

You may also propose a book not included here. To do this, email me the book title before Oct 31.
